GETTING TO BCN AIRPORT BY TRAIN

From Girona train station to Barcelona airport

Check the following website [renfe](https://www.renfe.es) and enter the origin and destination plus the date. The available trains will be shown.

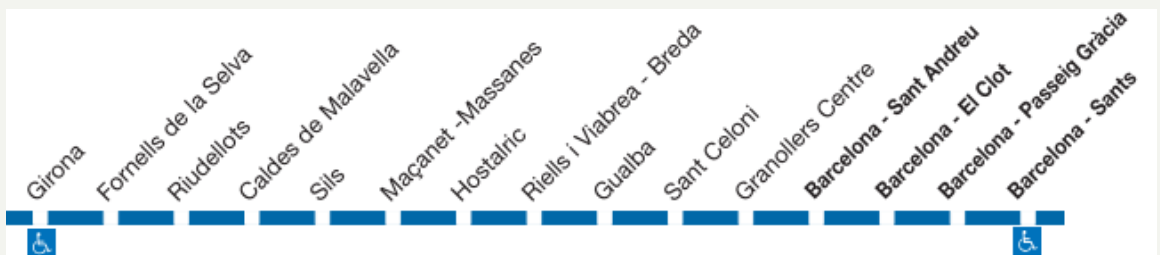

AVE and AVANT are the fastest trains whereas MD and REGIONAL are the slowest.

Once in Barcelona Sants, you need to take a train which line is R2. This one goes from Barcelona Sants to the airport. This train goes to Terminal 2, so if you need to go to Terminal 1 you need to take a shuttle bus. Please check the information about the shuttle bus in this link: [Barcelona's airport bus](#) more detailed information in the following link: [Barcelona's airport train connection](#)

From Caldes train station to Barcelona airport

Check the following website [rodalies](https://www.rodalies.cat) and enter the origin and destination plus the date. The available trains will be shown.

The line you will be using is called R11. To get to the airport, once in Barcelona Sants, follow the explanation above. Here are the stops on the R11 train route :
