

L'ALZINA SEMI-DETACHED 2.1

Located in the south-west of Camiral and overlooking the 5th hole of the award-winning Stadium Course, this L'Alzina semi-detached villa is a stylish family home designed by Barcelona-based architect Jaime Prous.

The four-bedroom property features open-plan interiors conceived with family living and entertaining in mind. Smooth tiled floors in the main living spaces contrast with warm oak flooring in the bedrooms, while a central open-air patio with a dining area creates a distinctive focal point at the heart of the home. Floor-to-ceiling windows bring in abundant Mediterranean light and frame generous views across the golf course.

Outside, the sun-filled terrace features a barbecue area and opens onto a 26 m² infinity pool, all set within a gently sloping landscaped garden that reinforces the connection between the home and its surroundings.

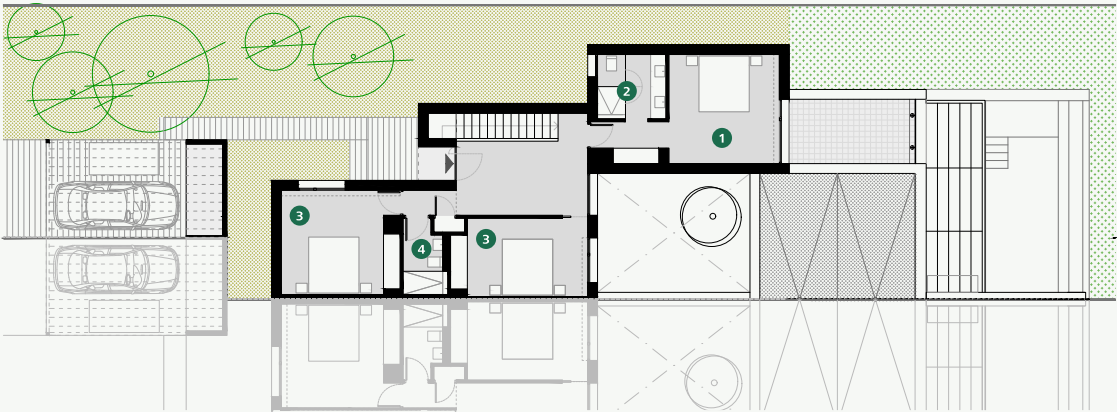

The property also includes private parking within the plot, as well as a golf membership ROP, making it an especially appealing home for those who want to enjoy the Camiral lifestyle to the fullest.
