

C 1.1 EL BOSC APARTMENTS

Located in the elevated southern part of Camiral, this exclusive apartment enjoys a privileged setting within the El Bosc Apartments, with open west-facing views towards the Montseny mountains and the surrounding natural landscape.

Designed by the renowned Barcelona-based studio Jaime Prous Architects, the apartment blends contemporary architecture with its natural surroundings. It is sold fully furnished, with interiors designed by one of Europe's leading interior designers, creating an elegant and welcoming home ready to enjoy from day one.

The 116 m² apartment features three stylish bedrooms and two modern bathrooms, including a serene master suite. The open-plan living and dining area is filled with natural light, with floor-to-ceiling windows opening onto a generous 43 m² terrace.

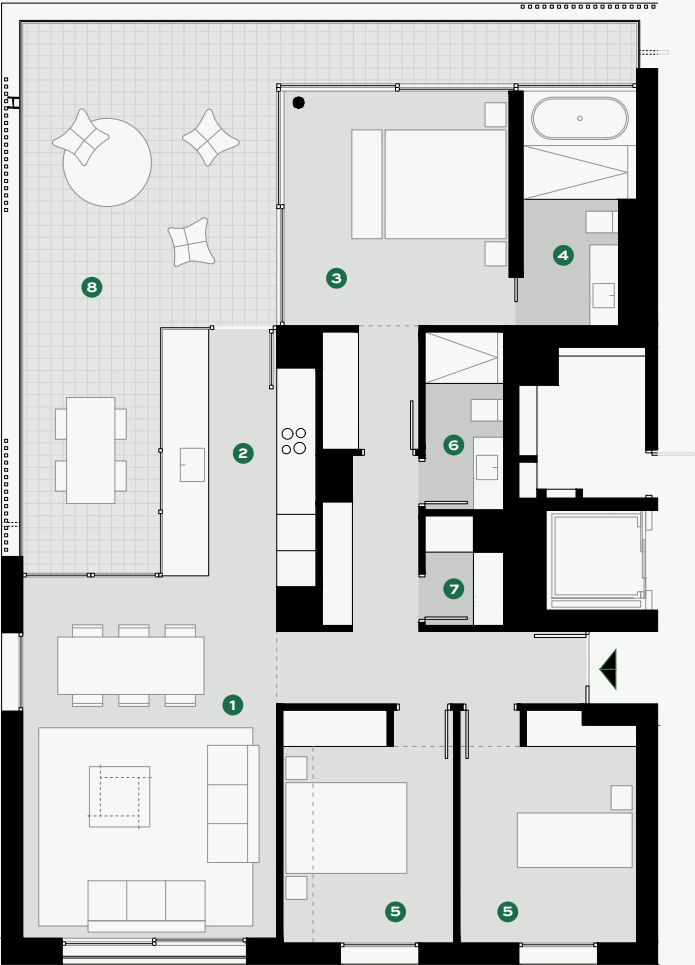

With its west-facing orientation, the terrace is a particularly special place to enjoy the afternoon light and spectacular sunsets over the golf course. Smart home technology, high-quality finishes, a closed garage for a car and a buggy, and a private storage room complete the property. Residents also enjoy access to the beautifully landscaped communal infinity pool.
