

L'ALZINA SEMI-DETACHED 2.4

Set in the south-west of Camiral, this L'Alzina semi-detached villa looks out over the 5th hole of the Stadium Course, with lakes beyond. Designed by Barcelona-based architect Jaime Prous, it combines generous outdoor space with interiors designed for family life.

The four-bedroom home features open-plan living spaces and a central open-air patio that brings natural light into the heart of the house. Parquet flooring throughout adds warmth, while floor-to-ceiling windows connect the interiors with the surrounding landscape.

Outside, a terrace with a barbecue area opens onto a 34m² infinity pool. The spacious landscaped garden offers plenty of room to relax and enjoy the views.

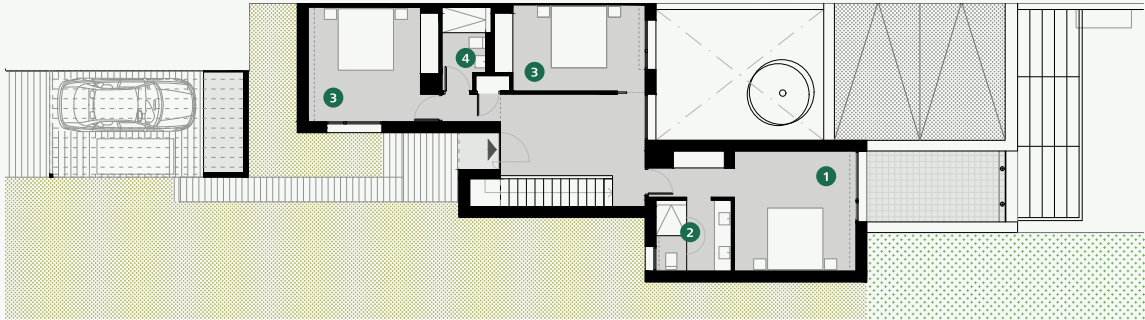

The property also has a parking space within the plot. It is an inviting place to settle in and enjoy life at Camiral.
